

Dear Pathways Families and Friends,

Pathways is built on stories—historic stories, local stories, and the personal stories of every family in our community. Now, we're excited to offer you an exceptional opportunity to *add your story to ours*.

We invite you to “Put Your Name in the Story” by sponsoring a cypress picket for our new Pathways Picket Fence Project. For a \$75 donation, your name—or your family’s name—will be beautifully laser-etched onto a cypress picket. These pickets will become a lasting part of the Pathways Heritage Day experience at the historic Brubaker Homestead, guiding visitors, providing safety fencing, and adding beauty for years to come.

Your child, grandchild, family member, etc. will enjoy looking for “their picket” each time they visit Heritage Days. The pickets will be moved to various areas with each new year, so it becomes a scavenger hunt to find it!

If you prefer not to have a name engraved, you may choose your favorite Bible verse, or dedicate a picket “In honor of” (IHO) and your loved one’s name, or “In Memory of (IMO....). This is a special opportunity to honor those in your life - living and gone.
